

May 1, 2017

Dear Community Partner:

At 8:00am on **Saturday, August 26th, 2017**, the *Alpha Xi Lambda Alumni Chapter of Alpha Phi Alpha Fraternity, Inc.* will be hosting our **25th annual golf tournament – The Dr. Lancelot Thompson Memorial Scholarship Golf Outing** – renamed in memory and honor of Brother Lancelot Thompson. The event will be held at **Heather Downs Country Club, 3910 Heather Downs Blvd.**, in Toledo, Ohio. This important event will include lunch, dinner, player's gifts, raffle, and a scramble format golf tournament with over 100 golfers that consist of community leaders and key members of the business community.

The purpose of our event is to raise much needed scholarship dollars to deserving minority students in Northwest Ohio. Our Fraternity has awarded more than \$100,000.00 in scholarships to deserving young men in the Toledo and surrounding areas, which has assisted them in pursuing higher education. With the alarming low graduation rates among minority groups, specifically for African-American and Latino males, the achievement gap continues to widen between children living in high-poverty areas and those who do not; and the cost of higher education becoming further outside the reach for most families, our effort is needed now more than ever.

Events and efforts of this magnitude would not be possible without the support of local businesses, individuals and organizations like yours. Your **generous, tax-deductible donation** will help contribute to the next group of scholarship recipients. There are several levels of participation (*see the attached form*), each of which will help Alpha Phi Alpha Fraternity, Inc. assist high school seniors in defraying their college expenses.

If you would like to support our scholarship efforts please return the enclosed Sponsorship Form ***no later than August 1, 2017***. If you have any questions, please do not hesitate to contact me via email at AXL1906@gmail.com or by phone at 419-344-6629. We appreciate your support as we continue to “develop leaders and promote academic excellence” for the young people within our community.

Your involvement, support and generous donations will have a positive impact on both the underserved students, and the community as whole.

Sincerely,

Andre' V. Page
